Glory" video game project as a 3D . BRITANNIC UK
Britannic Sinking is a maritime simulation for PC and
Mac developed by David Ward and released in
October 2011. It is based on the famous sinking of
the RMS Titanic in 1912. It follows the true story of
14 men from the Britannic, who set sail from Belfast,
Ireland in May 1912 and were said to be last to
abandon ship. The game won IGN's "Best Look &
Feel" award in 2012 and in 2013 won GameSpot's
"Best Strategy Game".
